SUPERFLEX PU HLR AS FOOD

MERLETT

Manguera de poliuretano (PU) poliéter con espiral de acero cobreado, para aspiración y transporte de polvo, virutas y material abrasivo.

-40 °c 90 °c

table pu

surface resistance ≤10° ohm, according to cei en 61340-2-3 at 23°c (concentric electrodes method) and according to en 60079-0 par. 26.13

RESISTENCIA A LA HIDRÓLISIS

resistant to hydrolysis in hot water up to60° c

ALIMENTARIA

idóneo al contacto con alimentos según la declaraciónde conformidad. conforme a fda 21 cfr 177.2600 párrafo "d" para alimentos secos.
